SUBJECT.

Proposal to fill up the vacant post of Parpattegar in the Govt Annadhanam at Tedatore.

From

The Deputy Commissioner, Mysore District

Letter No. 252, Dated 11th November 1905.

One Venkataramana, Gollar in the Chattram at Tedatore represented to the Amildar in April 1905 that he had been in that post for the past 30 or 32 years, that since the demise of the Parpattegar of the Chattram, some 4 years ago he had been looking after the duties of Parpattegar in addition to his own and had been preparing all the monthly accounts of the Institution without any additional remuneration, and prayed that he might be appointed Parpattegar of the Chattram. The Amildar

reported the matter to his higher authorities and stated that according to the revised Kadim Patties of the Sri Arkeswaraswami temple ~~at~~ in the Yedatore Taluk, Sri Yoga Narasimhaswami temple at Saligram, Sri Ramadevaru temple at Chunchankatte, and Sri Chandramowleeswaraswami temple at Chandgal, Parpattegars for those institutions were dispensed with, and that therefore their management had deteriorated and much delay was caused in the submission of their monthly accounts. The Amildar further stated that the appointment of a Parpattegar for the Chattram was indispensable and recommended that the said Venkataramana might be appointed as such on pay Rs 10/- per mensem, and that he be also asked to inspect the above mentioned temples and prepare their monthly accounts, in addition to his attending to his own duties in the Chattram.

Besides reporting as above, the Amildar proposed to revise the Chattram Establishment. From the statement of the present and the proposed scale submitted by him, it is observed that the offices of Pollar and Parpattegar are proposed to be combined as also those of Devarapuje

and Sandhakshite, and the system of payments in kind to the Chattram servants are proposed to be substituted by payments in cash & the scale thereby to be reduced from 7 officials and 168 seers of rice to 5 officials on pay Rs 32 per mensem According to the proposed revision, all the servants of the Chattram except the Parpattegar and the Devarapuja man are to be allowed to take one meal a day in the Chattram.

The Deputy Commissioner forwards the whole correspondence and solicits the orders of Govt thereon.

One Konanur Hare Ramaiah of Mysore also applied to the Deputy Commissioner for the vacant post of Parpattegar of the Chattram and the application has also been forwarded to this office for orders.

The monthly Income of the Chattram is Rs 129-10-0

The Gollu Venkataramma, who is now recommended for Parupattegar's place on Rs 10, is now in receipt of only 15 measures and 1½ Seers of rice and Condiments per measem - It is not known whether he is a Brahmin or a non-Brahmin - If it be the latter, the amount, it is believed, is sufficient for feeding two in a Brahmin Chattram.

There is a separate Muzrai Servant employed in the Temple on Rs 10 per measem -

Note continued.

As directed above, the Deputy Commissioner was asked to report on the following points :-

(1) Whether the petitioner Venkatarama is a Brahmin, and if not, how can he supervise the Chattram feeding?

(2) At what distances were the several temples mentioned in his correspondence situated and whether it was possible for one man to supervise all of them daily?

(3) As there is a Muzrai Gumastah employed in the Yedatore Taluk Cutcherry why should he not be entrusted with the supervision of the Chattram which was situated in the Taluk Head Quarters.

(4) What is the actual amount expended out of the Dasdik allotment for the feeding of bona fide travellers.

[illegible] Gollar [illegible] Parpattegar [illegible] Gollar's post, the Parpattegar, [illegible] the Gollar [illegible] Gollar's post, which is not a hereditary appointment, may be abolished on the present incumbent thereof or the Venkataramana may be directed to do the Gollar's work. The duties appertaining to the Gollar's post however, the Deputy Commr suggests, may be combined with those of the Parpattegar and a competent Brahmin appointed therefor. The Deputy Commr further states that in Kasba Yedatore there are the temples of Chunchunkatte Rama devaru Utsavara Sannidhi, Chendraja & Krishna Devaru and Chandramouleswara, which are at a distance of one furlong from the Chattram and that a parpattegar is necessary to superwise these Institns and to

insist on the punctual [illegible] of their accounts. This much in reply to the second query above. As regards the 3rd point, the Deputy Commissioner says that it is not possible for the Darkast Gumastah to supervise the Chattrams without detriment to his legitimate duty and that he may be entrusted only with the work of checking the Registers and Accounts of the several Muzrai Institutions. Regarding the fourth point, the Deputy Commissioner reports that out of the total ~~sella~~ tasdik of Rs 129-10-0 p.m assigned for the Chattram, a sum of Rs 124/- is being spent on an average on account of the Instn.

As

As the services of a Barpathegar on Rs10/- per mensem are reported to be indispensable for the proper management of the Institution and submission of accounts, the Amildar proposes to combine the Offices of Tolla and Barpathegar & the allied offices of worshipper and Gandakkohalé and do away with the system of payments in kind under colour of which a good deal of misappropriation of articles is rendered possible and substitute money payments.

2. The present and proposed Scale of the Anna Chattram at Yedatore are detailed in the accompanying Statement together with the Amildar's remarks. It may be seen therefrom that instead of the old Scale consisting of 7 offices at a cost of Rs13-6- and 168 Seers of rice with condiments per mensem, the new Scale is proposed to consist of 5 offices at a cost of Rs 32/- per mensem and that with the exception of the Barpathegar and worshipper the other servants whose duties necessitate con

Sir,

In reply to your endorsement No. 2643 dated 4/10 the December 1905 and subsequent correspondence on the subject of Parapattegars in the Sivagange Zamin, I have the honor to state as follows:—

1. Varadarajan Chetty, Zamindar, is not a Parapattegar. It is understood to do away with the office. It is proposed to continue it as the Parapattegar's post, as it is necessary to have the Parapattegar being appointed to perform certain duties.

2. There is only one Parapattegar in the Zamin, viz. Ramana Chetty Sivagangai Zamin

1 Chinnachinna Kattia Servaikaran Sivagangai Zamin

2 Chinnamalaya Servaikaran Sivagangai Zamin

3 Ramanathan Chetty Sivagangai Zamin

4 Ramanathan Chetty Sivagangai Zamin

6 Parapattegars. (1. Chinnachinna Kattia Servaikaran Sivagangai Zamin, 2. Chinnamalaya Servaikaran Sivagangai Zamin, 3. Ramanathan Chetty Sivagangai Zamin, 4. Ramanathan Chetty Sivagangai Zamin, 5. Ramanathan Chetty Sivagangai Zamin, 6. Ramanathan Chetty Sivagangai Zamin) who has been appointed to perform certain duties in connection with the Zamindar's Kachcheri. He resides at a distance of 1 furlong from the Chattram, and that of there is no Parapattegar in the temples. In view to insist on the punctual submission of the accounts and to exercise general supervision over all the Institutions, a Parapattegar seems

[illegible] necessary.

4. The Amildar reports that the Sangam Panchayatdar and the Trustees with the view of clearing the Register and necessary petitioning to the Inam Institutions and that it is not possible for the Sangam to discharge the Chattram without detriment to his legitimate duty.

5. It is reported that the Jaadika allotment for the chattram is Rs 129-10-0 per mensem and that the actual expenditure for 10 months (from 1st July 1905 to end of April 1906) is Rs 1246-8-10. This gives an average of Rs 124/- and odd per mensem.

6. The Amildar recommends that the Gollu whose pay is Re 0-15-0 with ½ a seer of rice with condiments and whose appointment is not hereditary, may be directed to do the gadumalis work.
